The background of the entire page is a painting. It features a central, large, white, textured shape that resembles a flower or a cloud. This shape is surrounded by smaller, purple flowers with yellow centers. The background is a mix of light blue, white, and grey tones, with numerous small black dots scattered throughout. The overall style is impressionistic and abstract.

Originals collection

COMBINING IMPRESSIONISM AND ABSTRACTION, PHILOSOPHY AND AESTHETICS, INNER RADIANCE AND EXTERNAL ILLUMINATION, DANIELLE HAS CREATED A COLLECTION OF SURPASSING BEAUTY.

Deeply personal and profound, Danielle's work continues to delight and inspire us with its uplifting message of hope.

The loose formal structure, fusion of eastern and western techniques and unique vocabulary of signs and symbols make Danielle's work both instantly recognisable and utterly irresistible.

Painting with an uninhibited vigour and freedom, Danielle creates luminous images that vibrate with life, energy and colour.
